The second story office is predominantly occupied by West Clinic, a subsidiary of Baptist Memorial Health Care, one of the country's largest not-for-profit health care systems with 22 hospitals throughout the Mid-South.

Germantown Village Square is positioned in the heart of the Central Business District near the signalized intersection of Poplar Avenue and Germantown Road. The community is widely recognized as an upscale residential, retail and office location within the Memphis MSA. Poplar Avenue provides easy access to other affluent populations including Collierville and East Memphis.

As one of the most affluent zip codes in Tennessee, Germantown has been recognized as one of the best suburbs in America due to its low crime rate, education, housing, and cultural and recreational amenities.
